

# CALL FOR PROPOSALS

October 7-10, 2022, Buffalo RiverWorks

APPLY AT [ARTPLAYGROUNDNY.COM](http://ARTPLAYGROUNDNY.COM)

The PLAY/GROUND team is looking for proposals for engaging and immersive art installations that can excite and unite visitors around the power of art. Selected projects will receive a budget for production and \$600 artist stipend to make their work.

**Applications are due by midnight on Sunday, August 14, 2022.**

## ABOUT PLAY/GROUND 2022

PLAY/GROUND is a platform for site-specific installations by contemporary artists. We invite the experimental, immersive, and ambitious. In 2022 our festival will be held October 7-10 at Buffalo RiverWorks in the former GLF Grain Elevator. Organized by the [Buffalo Institute for Contemporary Art](http://BuffaloInstituteforContemporaryArt.com) and [Resource:Art](http://Resource:Art.com), and presented by M&T Bank the fifth year of PLAY/GROUND promises to be the best yet.

## WHAT WE'RE LOOKING FOR...

Projects will be selected by the PLAY/GROUND team and Buffalo RiverWorks and will be evaluated on the following criteria:

- strength of the proposal and potential engagement with a Buffalo audience
- feasibility of proposal within budget and timeline
- connection to the unique site at Buffalo RiverWorks silos and public spaces

We are seeking a diverse applicant pool and welcome proposals from artists of color, indigenous artists, the LGBTQAI community, youth, elders, and artists based in Buffalo and beyond!

## ARTIST FEES & PROJECT SUPPORT:

Selected projects will receive an artist stipend in line with W.A.G.E standards and a production budget for their project.

## INFO SESSIONS & SITE VISITS:

We're hosting two in-person site visits and one virtual info session to help you make your application as strong as possible.

### RiverWorks Site Visits:

Saturday, July 9, 10AM-2PM & Thursday, July 21, 5:30-7:30PM

### Virtual Info Session:

Wednesday, July 13, 6:30PM

## HOW TO APPLY:

To apply you'll need a project description and sketches or images that support your description, a budget, and details on viability and how you'll complete it in the allotted time.
