

## ORANGE ART CENTER

### Art Instructors for Adult Fine Art Programs

The Orange Art Center (OAC) is offering teaching opportunities for experienced art instructors in the mediums of Ceramics, Painting, Printmaking, Mixed Media, Fibers and Sculpture for established courses starting in January 2023.

Have an art class that you would like to propose? Great! The OAC is also accepting artist instructor's class proposals that include a syllabus for winter, spring, summer and fall sessions for 2023 programming.

The OAC offers competitive compensation. Instructors are required to have a background check and be fingerprinted. Please send a cover letter and resume to [artcenter@orangecsd.org](mailto:artcenter@orangecsd.org). No phone calls please. Learn more about the OAC at [orangeartcenter.org](http://orangeartcenter.org)!

### Art Instructors for Young Artist Programs Grades K-12

The Orange Art Center (OAC) is seeking qualified art instructors to teach young artist art classes grades K-12 in the mediums of ceramics, painting, mixed media, photo and drawing. The qualified candidates will have extensive young artist teaching experience and are able to provide a class syllabus detailing each week's projects. Instructors are required to have a background check and be fingerprinted. Please send a cover letter and resume to [artcenter@orangecsd.org](mailto:artcenter@orangecsd.org). No phone calls please. Learn more about the OAC at [orangeartcenter.org](http://orangeartcenter.org)!

### Office Assistant

Are you interested in working in a creative environment and are experienced in accounting, office operations and love to organize and color code? The Orange Art Center has an opening for a part time office assistant position. The hours are flexible and the pay is competitive. A background check and fingerprinting is required. To apply, forward your resume and cover letter to [artcenter@orangecsd.org](mailto:artcenter@orangecsd.org). No phone calls please. Learn more about OAC at [orangeartcenter.org](http://orangeartcenter.org)!

## ORANGE ART CENTER

### Young Artist Studio Tech

Join the Orange Art Center (OAC) team by applying for the Young Artist Studio Tech position. The qualified candidate will be experienced in preparing, developing, managing and supporting after-school enrichment programming and summer art camps with groups of young artists grades K-8 and their parents/guardians. The ideal Studio Tech first and foremost has a passion for working with children, is extremely organized, energetic and creative. This position offers competitive compensation, requires a background check/fingerprinting and CPR certification for summer art camps. Please send your resume and cover letter to [artcenter@orangecsd.org](mailto:artcenter@orangecsd.org). No phone calls please. Learn more about the OAC at [orangeartcenter.org](http://orangeartcenter.org)!
