ScienceTellers is looking for energetic and animated performers to present our fun, interactive 45-minute science programs this summer.

There is no need to be a scientist — we will teach you all the science you need to know!

Compensation: $2,760 for up to 23 shows, plus $120 bonus for a completed, approved dress rehearsal. We guarantee payment for 23 shows but in many cases we will book you for more, at a rate of $100 per show and $20 travel stipend per show. We also reimburse for all tolls and parking.

Preferred: experience working with children and a background in theater, drama, performing or teaching.

This is a great opportunity for actors looking for part-time work!

To apply/audition, you must fill out an application at www.sciencetellers.com/jobs

Instructions:

1. When possible, list as a job ad first, and an audition/casting call second (or if there is no “job” option.

2. If posting as an audition/casting call, you may need to list certain requirements: Name of Production, Name of Position, Audition Dates, Performance Dates, etc.

3. If audition/casting call, list as Non-Union.

4. Don’t list your phone number unless absolutely required. Then use the work phone.
5. If job is being posted in a source that serves multiple locations (Dragonuk Connects) you may want to include the various cities in the job ad.
   
a. “We are currently looking for people in/near the following cities: Baltimore MD, Washington DC, Richmond VA.”

6. When it requires a city and state, use the city and state of the target anchor city to make the ad appear local.

7.
